

Firearms transportation application

Flight information

Booking Reference*
 Departure flight number* SN
 Departure date*
 Return flight number* SN
 Return date

To request permission to travel with a firearm, please send this form **at least 48h prior to departure** to service.en@brusselsairlines.com.

Charges apply. Please note only one form per booking can be accepted and each passenger is allowed maximum 2 firearms.

Subject to approval, you will receive confirmation before departure. Without confirmation, your firearm is not registered and it will not be possible to transport it.

If Brussels Airlines is not the operating carrier of your flight or your journey concerns more than one operating carrier, please direct your request to the other carrier (as well).
