To register sports equipment as additional baggage, please send this form to callcenter.en@brusselsairlines.com **at least 48h prior to departure**. Please note excess baggage charges apply.

Subject to approval, you will receive confirmation from us before departure. Without confirmation, please note your equipment is not registered and it may not be possible to take it on board our flight.

If Brussels Airlines is not the operating carrier of your flight or your journey concerns more than one operating carrier, please direct your request to the other carrier (as well).
